Vol.XXVIII No.1

meets in New York

USA . . . Brazil . . . Germany . . . UAE . . . Johannesburg . . . China . . . Malaysia . . . India

Bryworld got together in New York in January 2008 to interchange notes, formulate strategies and brainstorm to support the customers, worldwide, with better product, technologies and increased service.

There was a lot to exchange. The mood was upbeat! The markets were expanding and the Bry-Air group was ready to meet the

challenges of the coming years with new products backed by strong R&D and a world wide network of own sales offices supported by wide network of representatives in North America, South America, West Asia, China, South East Asia, India and Indian subcontinent, Australia and New Zealand and Europe.

The Third

February 19, 2006, Delhi . . . January 19, 2007, Kolkata . . . Feb 19, 2007, Bangalore
 to recognize and award innovation.
 The venue for the 3rd Bry-Air Awards was the lawns of the major hotels in the cities for several evenings, followed by a specially choreographed dance recital by the winners.
