The 7th Bry-Air Awards for Excellence in HVAC&R function held on Friday, February 24, 2012 at Bangalore International Exhibition Centre, Bangalore coinciding Acrex 2012. It was an event for the entire Industry to celebrate innovation and excellence.

The glittering and grand ceremony was graced by many stalwarts from international as well Indian HVAC&R industry.

The Guests of Honour of the spectacular night were Mr. Ronald Jarnagin, President ASHRAE, Mr. Michael Schmidt, President, Federation of European Heating, Ventilation and Air-conditioning Associations (REHVA) and Ms. Maija Virta: CEO, Finland Green Building Council amongst many others.

Bry-Air & DRI Booth at ACREX 2012

Instituted in 2005, Bry-Air Awards are held annually to reward and recognize outstanding contributions and technological breakthroughs undertaken by corporates and students in rapidly expanding HVAC&R field. The awards have become a cornerstone for recognition for the Indian HVAC&R Engineers.

The key criteria for adjudging winners are Innovation, Energy efficiency & Environment friendliness of the project/product.

The Bry-Air Awards are presented to individuals, corporate or students who have made an outstanding contribution in the following categories :

- New/Innovative Systems Design
- New/Innovative Product Design
- Students Category for Most Outstanding and Innovative Projects.

Winners : The 7th **Bry-Air** Awards

EXCELLENCE IN STUDENTS' CATEGORY

Winner

Mr. Rajinder Singh from Delhi College of Engineering for "Development of Scraped Surface Ice Slurry Generator for Refrigeration & Air-conditioning Industry"

Runner-up

Ms. Pooja Mahanty, Mr. Saurav K. Murarka from Birla Institute of Technology, Mesra, Patna Campus for "Energy Efficient Solar Powered Air-conditioning System"

Jury Commendation

Mr. Santanu Prasad Datta from IIT, Kharagpur for "Assessment and Improvement of an automotive HVAC system for a better fuel economy, fault diagnosis and prognosis"

EXCELLENCE IN SYSTEM CATEGORY

Winner

Mr. K. Premkumar from U V Krishna Mohan Rao Associates for "Efficiency Improvement of Existing HVAC Systems at ITC"

Runner-up

Mr. Rohan Parikh, Mr. Guruprakash Sastry, Mr. VVS Raju, Mr. Punit & Mr. Samit Bhowmick from Infosys Limited for "Radiant Cooling System"

Jury Commendation

Mr. Surendra H Shah from Pan Asia Corporation for "Zero Impact Structure Cooling"

EXCELLENCE IN PRODUCT CATEGORY

Winner

Mr. Anil D Kumbhar from Voltas Limited for "Low Temperature Vapour Absorption Machine (-5°C brine) using LiBr-Water"

Runner-up

Mr. Surendra H Shah, Proprietor from Pan Asia Corporation for "Low Energy Two Stage Heat Pump Air Drier"

Attention!

Nomination forms for the 8th Bry-Air Awards will be available from June 15, 2012 at www.bryairawards.com or

E-mail to bryairawards@pabwa.com
