

# KOLAR HUSKY

18<sup>th</sup> February 2021

## To Whomsoever It May Concern

This is to certify that we have placed an order on **Bry Air ( Asia) Pvt Ltd, a Pahwa Group Company based in Gurgaon Haryana for 140 KW ( 40 TR) Adsorption Chiller based on hot water as driving energy to provide chilled water air - conditioning.**

Bry Air had executed the project successfully as per our requirements.

We are pleased to inform that the chiller performance has been satisfactory from the date of commissioning till date and meets our expectations.

The Bry Air Installed Chiller is an Advanced Green Technology using Inert Silica Gel (Adsorbent) and Water (Refrigerant) pair. It uses Hot water to provide chilled water for process cooling and air -conditioning / process applications.

We wish Bry Air a great success for this adsorption chiller product as Energy Smart Cooling Using Waste and Solar Heat.

**For Kolar Husky Company Limited.**
