1981 ISSUES OF DRY-AIR STORIES 1999

DryFacts . . . Tracking our travails since 1981

75 Issues, 4 every year . . . The *DryFacts*, our quarterly newsletter, has been keeping you updated on our progress from a four man start up operation to a group of engineering companies with a family of 300 people and offices in India, Malaysia, Thailand, Indonesia, Korea and China.

Today, as we step into year 2000, we look back with nostalgia and pride at our travails through the years. We trace the years gone by, recaping the images from some of our back issues.
